Subject: Recreation Event

To: Forest Supervisor

A request for a Recreation Event Special Use Permit (SUP) on the Hume Lake Ranger District was received from Kingsburg 4WD Club. After having reviewed Kingsburg's request, I am granting a SUP for the purpose of holding an Over-Snow Poker Run on the Hume Lake Ranger District. In our review, no extraordinary circumstances were found to exist.

This permit falls under the Categories Established by the Chief of actions for which a Project or Case File and Decision Memo are not required. Categorically excluding this action from further documentation under FSH 1909.15 category 31.12, 1, "Orders issued pursuant to 36 CFR 261 - Prohibitions to provide short-term resource protection or to protect public health and safety" is appropriate, because it is for a short duration, and it is necessary to lessen the potential for further resource damage caused by the public using motor vehicles while recreating in the area. No extraordinary circumstances exist.
