

NEPA COMPLIANCE CHECKLIST
internal use only

**Sequoia National Forest
Western Divide Ranger Districts**

Name of Project: Subaru Special Use Permit

Description of Project: Issue a temporary commercial filming Special Use Permit authorizing The Corner Shop (Holder) to film portions of a Subaru (automaker) commercial. Activities will take place on the Western Divide Ranger District of the Sequoia National Forest and Giant Sequoia National Monument. Tentative filming date is September 12, 2019.

Filming activities will occur along Trail of 100 Giants (Site 1 on attached map), and near Forest Road 22S47 about 1.5 miles south of Trail of 100 Giants (Site 2 on attached Map). Filming of actors walking along a trail or cross country will occur using a handheld camera, or placed on a tripod or dolly. Vegetation props will be used during filming at Trail of 100 Giants. A motorized cart may be used on the paved trail for hauling equipment and props. A Subaru vehicle will be parked in a dirt turnout for camera shot of vehicle. Ground disturbing activities associated with filming are expected to be similar to typical use at this popular recreation area.

The Holder plans to park support vehicles at Redwood Meadow Campground.

Purpose of Checklist: For projects categorically excluded under NEPA that do not require a decision memo, this checklist documents that there are no extraordinary circumstances related to the proposed action that warrant further analysis and documentation in an environmental assessment or environmental impact statement.
