 (559) 877-2218

Go to main Sierra National Forest web site

You are here: NEPA Home / Sierra National Forest NEPA Projects / French Fire Recovery and Reforestation Project

French Fire Recovery and Reforestation Project

The project would remove roadside hazard trees, recover the economic value of fire-killed/ fire-damaged trees, re-establish forested conditions, manage fuel loads, and work towards eradication of invasive non-native weeds.

Location Summary

Includes the lands immediately north of Clearwater Creek, south of West Fork Chiquito Creek, east of Whisky Ridge, and west of the San Joaquin River

District: Bass Lake Ranger District

Project Documents

No documents are available for this project.
